

Mount Horeb Music Boosters

Music Summer Camps & Programs Support Application

The Mount Horeb Music Boosters is pleased to offer financial support to current students of Mount Horeb School District in **grades 4 through 12** who participated in summer music camps, WYSO or Winds of Wisconsin during the prior academic year, between 9/1 of last year and 8/31 of this year. Awards may be up to 50% of tuition paid with a maximum award of \$150.00 per student **and are not based on financial need. All students are encouraged to apply.** Exact amounts are based on the pool of designated funds each year and the number of applicants (for example, \$1,000 in designated funds with 10 students applying would yield \$100 per student award).

Applications must be received by December 1 of this year and must be accompanied by an invoice or proof of payment. Scholarships will be awarded by January 1. Incomplete applications will not be accepted. All fields are required.

Student's Name (First and Last)	
Student's Address (Street Address, City, Zip)	Student's Phone Number
School currently attending	Current grade attending
