Patty Schlafer Music Education Support Application

The Mount Horeb Music Boosters is pleased to offer financial support to current students of Mount Horeb School District in **grades 4 through 12** who meet the following criteria: 1) participate in one of the school's performing ensembles (ex. orchestra, band, choir), 2) commit to music lessons during the current academic year between 9/1 and 8/31. Awards may be up to \$150.00 per student per academic year **and are not based on financial need. All students are encouraged to apply.** Exact amounts are based on the pool of designated funds each year and the number of applicants (for example, \$1,000 in designated funds with 10 students applying would yield \$100 per student award).

Applications can be submitted at any time and must be accompanied by an invoice or proof of payment. Applications received before December 1 will be awarded by Jan 1; applications received before May 1 will be awarded by June 1. **Incomplete applications will not be accepted.** A list of approved instructors is available on the [Mount Horeb Music Booster's](#) website and on the Middle and High School music web pages. Instructors not included on the approved list are subject to approval by the Mount Horeb Music Department Staff.
